**§ 554.4. Candidate Statements**

(a) Each candidate for an elective Board member position may provide a statement including the candidate's name, the word "Incumbent" when the candidate is the incumbent in the position for which the election is being held, job classification, employer (or employer at retirement), years of CalPERS-covered service, and a general statement of no more than 200 words. The statement must be truthful, and shall contain no obscene, vulgar, profane, libelous or defamatory matter. The statement shall not include any remarks or questions that are inherently misleading, including rhetorical remarks and questions that are inherently misleading.

(b) The statement shall be filed with the Election Coordinator at the time the candidate accepts nomination. Once filed, statements may not be changed or withdrawn except as provided herein.

(c) Within 7 calendar days following the end of the nomination period, the Election Coordinator shall distribute all candidate statements to each candidate in the respective contest. Each candidate shall have 10 calendar days (or such longer period as the Election Coordinator may provide to all candidates) after the distribution of the candidate statements by the Election Coordinator to submit to the Election Coordinator an addendum to the candidate's statement of no more than 100 words. No addenda may change the initial candidate statement, but addenda, if any, shall be in addition to the initial candidate statement. The Election Coordinator shall, within 7 calendar days after the date in which all addenda are due, provide all candidates with all candidate statements including addenda if any.

(d) No statement may be changed or withdrawn, except that:

(1) a candidate who withdraws from the election may withdraw his/her statement at any time prior to printing, or,

(2) a candidate statement may be modified in accordance with a determination of an arbitration conducted in accordance with subdivision (e) below.

(e) Any controversy or claim arising out of or relating to a proposed candidate's statement's compliance with the provisions of this section shall be determined by a third-party arbitrator conducting arbitration in accordance with the laws of the State of California and as provided below, and the Labor Arbitration rules of the American Arbitration Association (AAA) in effect on November 15, 2000, to the extent the AAA rules are not in conflict with this subdivision.

(1) A written request for arbitration related to any candidate's statement must be filed with CalPERS Election Coordinator by a candidate not later than 5 working days after the Election Coordinator's mailing of candidate statements pursuant to subdivision (c) above. Upon the Election Coordinator's receipt of a request for arbitration, the Board or its delegate shall designate an independent, neutral third-party arbitrator to administer the arbitration. No board member who is a candidate for election that is the subject of the arbitration may participate in the selection of the arbitrator except as specified in subdivisions (2-6) below.

(2) A request for arbitration shall set forth the nature of the controversy or claim, a brief statement of the basis of the controversy or claim, and the remedy sought.

(3) Upon receipt of a request for arbitration under this section, the Election Coordinator shall mail a copy of the request to all candidates for the same seat and to the third-party arbitrator. Within seven days of mailing the request for arbitration by the Election Coordinator, any candidate for the seat that is the subject of the arbitration may request to participate in the arbitration by filing a written request with the Election Coordinator, which the Coordinator shall promptly forward to the third party arbitrator.

(4) The third-party arbitrator shall promptly submit simultaneously to each party requesting to participate an identical list of names of three persons chosen from its panel of arbitrators. Each party shall have seven days from the date the list is submitted in which to file an objection with the third-party arbitrator to any name, number the remaining names to indicate order of preference, and return the list to the third-party arbitrator. From among the persons for whom no objection has been filed, and in accordance with the designated order of preference, the third-party arbitrator shall invite an arbitrator to serve. If every proposed arbitrator receives an objection, or if the arbitrator selected declines or is unable to act, or if for any other reason the appointment cannot be made from the submitted lists, the third-party arbitrator shall make the appointment from among other members of the arbitrator's panel without the submission of any additional list.

(5) Any arbitration shall be held in the City of Sacramento. Any candidate for the same office may participate in the arbitration by filing notice with CalPERS. The determination of the arbitrator shall be rendered within 30 days of selection of an arbitrator and shall be final and binding on CalPERS and candidates for office.

(6) Each candidate participating in the arbitration shall bear its own expenses in connection with the preparation and presentation of his or her case at the arbitration proceedings. The fees and expenses of the arbitrator and all other expenses of the arbitration shall be borne equally by each candidate participating in the arbitration.

(f) The Election Coordinator shall distribute all deadlines and instructions related to candidate statements in writing to all candidates.

(g) Nothing in this section shall be deemed to make candidate statements or the authors thereof free or exempt from any civil or criminal action or penalty because of any statements offered for printing or distributed to voters. Information contained in the statement is the responsibility of the candidate and the California Public Employees' Retirement System accepts no responsibility for the validity of the statement or the contents thereof.

#### **§ 554.8. Recount of an Election**

(a) A request for a recount shall not delay the seating of an elected Board member. Such elected Board member shall take office, in accordance with the published election schedule, subject to the potential termination of such Board membership as a result of the recount.

(b) A candidate in the affected Board member election may file a written request with the Election Coordinator at the Sacramento Office of CalPERS for recount within ten working days following the mailing of the unofficial election results of the runoff election, if any, otherwise, of the election; otherwise, there shall be no opportunity for requesting a recount and the certified election results stand as the official results.

In this case, if the actual cost of the recount is less than the estimated cost deposited by the requester, CalPERS shall refund the amount which exceeds the actual cost; if the actual cost of the recount is more than the estimated cost, CalPERS shall invoice the requester for the difference.

(f) If the results of the recount do change the ranking of the candidates (either the unofficial ranking or the certified ranking, depending upon whether the unofficial results have been certified by the Secretary of State as of the date of the recount), then the recount results shall be resubmitted to the Secretary of State for certification as the official election results. #### **§ 554.9. Protest of an Election**

(a) The filing of a protest shall not delay the seating of an elected Board member. Such elected Board member shall take office, in accordance with the published election schedule, subject to the potential termination of such Board membership as a result of the protest. Any newly elected member, as the result of a protest, shall hold office for a period equal to the remainder of the term of the vacated office.

(b) Any party who is an active or retired member of CalPERS, eligible to vote in the applicable Board member election, may protest a runoff election, if any, or an election, if no runoff election is conducted. A protest shall be filed with the Election Coordinator at the Sacramento Office of CalPERS within ten working days following the mailing of the certified election results. A protest shall be in writing, shall be identified using the word "protest", shall specify the election, and shall state the grounds of the protest and suggested remedy.

(c) Upon receipt of a valid and timely protest, the Election Coordinator shall mail a copy of the request to all candidates for the same seat. The Board or its designee shall appoint an independent, neutral agent which shall designate a Protest Panel using the following process. The independent agent shall promptly submit simultaneously to each candidate for the same office that is subject of the protest an identical list of names of at least five persons chosen from its panel of arbitrators. Each candidate shall have seven days from the date the list is submitted in which to file an objection with the agent to any name, number the remaining names to indicate order of preference, and return the list to the agent. From among the persons for whom no objection has been filed, and in accordance with the designated order of preference, the agent shall invite members to serve on the Protest Panel. If every proposed panel member receives an objection, or if a panel member selected declines or is unable to act, or if any other reason the appointment cannot be made from the submitted list, the agent shall make the appointment from among other members of the agent's panel of arbitrators without the submission of any additional list. No Board member who is a candidate for election that is the subject of the protest may participate in the selection of the Protest Panel. The decision of the Protest Panel shall be final. The Protest Panel shall be comprised of no less than three people, all of whom are neither employed by CalPERS nor otherwise interested in the outcome of the election that is the subject of the protest. For purpose of the foregoing sentence only, membership in CalPERS does not, by itself, constitute an "interest in the outcome of the election." The Protest Panel shall consider written and/or oral arguments submitted by the protestor and any other interested party, including the Board's staff. Any oral proceedings shall be held in the City of Sacramento. The determination of the Protest Panel shall be rendered within 30 days of selection of the Panel and shall be final and binding on CalPERS and candidates for office. Other procedures, including those for receiving and considering arguments and factual allegations, shall be determined by the Protest Panel in its sole discretion. A protest shall only be granted upon a finding that Board-adopted election procedures were not substantially followed and that, without this lack of substantial compliance, the election outcome would likely have been different.

#### **§ 554.10. Ballot Designations**

Each candidate for an elective Board member position may choose a Ballot Designation at the time he or she certifies acceptance of nomination as a candidate. The Ballot Designation will be printed below the candidate's name, on the ballots that are mailed to each, eligible voter. The Ballot Designation must be accurate and not misleading.

Each candidate must choose a single Ballot Designation, in conformity with the following guidelines:

(a) If the candidate already holds the Board member position to which he or she is seeking election, then the candidate may use the single word "Incumbent" and this is the only time it may be used as a designation. The word "Incumbent" may not be used in conjunction with the candidate's title as a CalPERS Board member.

(b) If the candidate holds an elected office at any level of government, or is an elected or appointed judge for a court of record in California, at the time he or she certifies acceptance of nomination, he or she may use the title of that office. If the candidate is retired from that office, the title may still be used, if preceded by the word "Retired." The candidate shall not make any other reference to a prior elected or appointed office, such as by the word "former" or "ex."

(c) The candidate may designate the principal profession or occupation in which he or she is engaged, at the time he or she certifies acceptance of nomination. This designation may be general or specific, but it shall not exceed three words in length. If the candidate is retired from the principal profession or occupation, it may still be designated if preceded by the word "Retired." Any geographic reference that is part of the designation shall count as one word, but the word "Retired" shall not count. The candidate shall not make any other reference to prior professional or occupational status, such as by the word "former" or "ex."

(d) The candidate shall not use the Ballot Designation to state, or imply, an endorsement or alliance. This means the designation cannot name a political party or any racial, religious or ethnic group. The candidate shall not use the Ballot Designation to state, or imply, a particular level of skill or performance. This means the designation cannot be modified by adjectives such as outstanding, leading, expert, virtuous, or eminent.

The determination of whether or not a Ballot Designation conforms to these guidelines shall be made in the sole discretion of the Election Coordinator. If a Ballot Designation does not conform, in whole or in part, it shall be reformed by the Election Coordinator with prior notice to the candidate, before it is printed on the ballots.

The Election Coordinator will provide each candidate with written criteria for choosing a Ballot Designation in conformity with these guidelines, including examples of designations that were used in prior elections. The choice of Ballot Designation must be made by each candidate, and the California Public Employees' Retirement System accepts no responsibility for the content or validity of a given Ballot Designation.

The amendments to this section adopted on March 21, 2001 shall become operative on January 16, 2002. The addition of this section filed August 24, 1998 shall remain in effect until that time.
